TRAILER COVERS & TRAVEL ACCESSORIES

The IWT Collection has been created to offer a selection of additional accessories for our horsebox and trailer customers. Items range from security and safety products to rider clothing, which are all designed to complement our horsebox range.

TRAILER COVERS

The covers are made using a specially manufactured 3 layer heat bonded material designed to be 100% waterproof and breathable. The Torrent fabric prevents water penetrating through the cover in severe weather conditions and allows any condensation that forms under the cover to dry naturally throughout the day.

The cover incorporates a velcro sealed inspection door access available for both left and right hand models, a detachable A frame and coupling cover and webbing straps with buckles keep the cover secured in stormy conditions. Also supplied are poles for lifting cover when fitting, a storage bag and fitting instructions.

Trailer Aid. Used when replacing a flat or punctured tyre. Saves time and energy no need to use a jack. Available in black and yellow.

- B0054** Black.
- B0055** Yellow.
